MEGAMAN®

MEGAMAN® TOTT 2 is a highly versatile outdoor floodlight product range and is designed to meet diverse application requirements. The integrated LED product range covers several lumen packages and offers a cost-competitive solution. Equipped with a u-shaped bracket, the luminaire can be rotated freely for optimum adjustment (up to ±355˚) for lighting all kinds of situations. The strong polycarbonate rust-free housing with the IP65 and IK08 ratings allow it to perform excellently in outdoor environments. The smart series within the range also offers a PIR motion sensor for energy-saving and safety considerations.
